

REMARKS

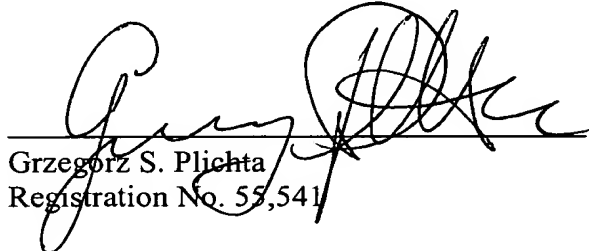

A requirement for restriction under 35 U.S.C. § 121 was set forth in the Official Action mailed June 21, 2004, in the above-identified patent application.

Claims 1-69 are pending. In the Restriction Requirement, claims 1-69 were restricted into the following four groups:

- I. Claims 1-17, 22-38, 44-49, 57-69, drawn to emergency or alarm communication of the mobile device, classified in class 455, subclass 404.1.
- II. Claims 18-20, 39-42, 50-55, drawn to diagnose testing for detecting environment parameter, classified in class 600, subclass 300.
- III. Claims 21, 43, 56, drawn to remote medical analysis, classified in class 600, subclass 509.

Applicants hereby elect Group I consisting of claims 1-17, 22-38, 44-49, 57-69 for prosecution at this time. This election is made without traverse, and no representations are made by this election concerning the merits of the Restriction Requirement with respect to the possible existence of multiple distinct inventions among the originally present claims. Applicants reserve the right to pursue the subject matter of all non-elected claims in one or more related applications. Applicants respectfully request allowance of all pending elected claims.

Date: December 7, 2004
